## Empowering Startups, Driving Innovation

We are dedicated to helping startups succeed by providing innovative solutions, expert guidance, and a collaborative community.

Join us Projects →

**Headings - Montserrat**  
Body - Open Sans

The desktop view of the Jeb homepage features a large banner at the top with a red-to-white gradient. On the left side of the banner, the word "Jeb" is written in a bold, black, sans-serif font. To the right of the banner, there is a navigation bar with links for "Home", "Projects", "News", "Events", "About", "Dashboard", and "Logout". Below the banner, the main headline "Empowering Startups, Driving Innovation" is displayed in a large, bold, purple font. A short description follows: "We are dedicated to helping startups succeed by providing innovative solutions, expert guidance, and a collaborative community." At the bottom of the banner, there are two buttons: "Join us" and "Projects →". To the right of the banner, there are four small square images showing people working together in various office settings.
